All Institutions That Contributed Data
615 Institutions

All faculty salaries are standardized to 9-10 month contracts.

Key

- NP - Number of persons (incumbents)
- NI - Number of institutions
- - More than 150% of the group average
- - Less than 75% of the group average

Policies

Statistics will not display when the number of institutions contributing data is less than 5 (too few data). Statistics will also not display when one institution's data comprise more than 25% of the total (unbalanced data; only applicable if incumbent—rather than institutional average—salaries are selected). If fewer than 10 institutions have provided data for a position, statistics (particularly percentiles) may be poor estimates, and caution should be taken in their interpretation and use.
